## Love Is a Mystery

Love is a mystery you will never understand,  
even with a tear-stained face, love still lingers on,  
with a patched up heart,  
love stands through these whirlwinds.

With emptiness of the heart,  
love conquers all,  
in spite of its timing.

Love has no particular colour, it comes in all shades:  
Even when the sky is gray, love abides.

Love is beautiful  
and it lives in the hearts of those who  
appreciate it.

How I wish you just say it.
