

Who You Are

*You are a child of God. Your heart is God's heart.
That's why these things are so strong inside you . . .*

Natural love of goodness	Natural aversion to badness
The drive to <i>be</i> good and <i>do</i> good. The desire to serve, heal, and uplift.	The desire to avoid or correct wrongness in one's own life.
The desire to do God's will. Sensitivity to the Still Small Voice of God within.	Distaste for voices, choices, and tendencies that are dark and destructive.
The love, appreciation, adoration of God.	Distaste for godless, faithless living—living by creature power, while ignoring or denying the Higher Power.
The love of others, and trust in their goodness. A heart of compassion, understanding, admiration, and forgiveness.	Distaste for selfishness, greed, cruelty, and indifference.
The appreciation of God's creation.	Distaste for hurt and harm of God's creations: people, animals, the environment, and oneself.
The drive to contribute to the happiness and harmony of your human family.	The drive to right wrongs, and stop injustice.

*God made us good—but He doesn't force us to BE good, LIVE good,
or even SEE good. Those are all choices WE must make.*
